License Plate #: _____

Vehicle #2

Make: _____ Model: _____

Year: _____ Color: _____

License Plate #: _____

Excerpt from 2007-2008 GFA Student Handbook (pages 9-10)

Personal Transportation

Students licensed by the state are permitted to drive motor vehicles to the campus. Students who drive motor vehicles to campus have the following responsibilities:

1. Students **MUST** register personal vehicles. Registration makes it possible to locate an owner in an emergency situation.
2. **Students may park in the elementary parking lot or in the area next to the underclassman hall. Students are asked to avoid the area in front of the church. The parking area next to the office wing and upperclassman hall is reserved for faculty and staff.**
3. **Students are not to park on the east side of Academy Drive at any time. Students who do so will risk having their vehicles towed by the city, at the students' expense.**
4. Because of the proximity of elementary students to our parking areas, all drivers need to drive slowly and carefully at all times around the school. Students who drive in a dangerous manner around the school risk losing the privilege of driving to school.
5. While driving to and from campus, student drivers are representatives of Greenleaf Friends Academy. Driving violations reported to the office shall be discussed with the student and will be reported to the student's parents.
6. Students may not eat lunch or sit in their cars during school hours.
7. Students are not permitted to drive off campus during school hours.
